UWAGI WAŻNE!

Jeśli w swojej okolicy lub na trasie swych wędrowek spotkałeś któryś z tych gatunków powiadom pracowników Białowieżskiego Parku Narodowego. W tym celu postaraj się zapamiętać kilka podstawowych informacji:

Gatunek:

Liczba osobników:

Data:

Lokalizacja:

- nazwa lokalna miejsca

.....

- numer oddziału (w lesie)

.....

- lokalizacja GPS (jeśli to możliwe)

.....

Siedlisko: zbiornik wodny, ciek wodny, obszar podmokły, las iglasty, las mieszany, las liściasty, łąka, pole uprawne, inne (jako):

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

.....

Informację wyślij na adres:
Renata Krzyściak-Kosińska
Białowieżski Park Narodowy
Park Pałacowy 5
